

Mack Anthem[®]

Rediscover an American legend.

We took more than a century of experience building America and put it to work tackling the challenges of our industry. The result? The new Mack Anthem®—a truck that will make you rethink what's possible on the highway. Boldly designed and engineered tough, Anthem is born ready for whatever the road demands.

BUILT FOR YOUR BUSINESS.

Efficient in every sense of the word, Anthem saves on fuel and reduces maintenance costs while maximizing uptime—and your bottom line.

DESIGNED FOR THE DRIVER.

Anthem's cab design and driver environment are built around the way work gets done on the road, keeping drivers comfortable, safe and focused all day long.

Built for your business.

EFFICIENT DESIGN

The advanced aerodynamics and purpose-built design of Mack Anthem® put function at the forefront and reduce day-to-day costs.

DEPENDABLE SUPPORT

From parts and service to our 24/7 Uptime Centers, Mack has the right combination of people and technology to keep you on the road.

THE STRENGTH OF A LEGEND

Anthem comes standard with our proprietary Mack® engines, transmissions and axles, delivering unrivaled performance and fuel efficiency.

Day Cab

48-inch Flat Top Sleeper

70-inch Stand Up Sleeper

Aerodynamic never looked so Mack®.

The new Mack Anthem® challenges the expectations of aerodynamic design with a bold look that dramatically improves efficiency up to 3%.

By displacing air to the sides, as well as over the hood and roof, Anthem cuts wind resistance and improves fuel economy by up to 3%.

Roof Fairings with Adjustable Trim Tab

Improves airflow from the cab to the trailer (70-inch Stand Up Sleeper only).

Hood Mirrors

Single support decreases wind resistance compared to tripod designs and folds on impact to prevent damage.

Hood and Fenders

Hood slope and fender design direct air over and around the trailer.

Close-Out Flange

Prevents airflow between hood and bumper and moves air around the cab.

Air Dam

Reduces turbulence under the vehicle for less drag.

Covered Tow Loops

Cuts down on wind resistance and creates a clean look.

Built to last.

Mack Anthem[®] drives down operating costs with durability that stands up to the rigors of the road and keeps you out of the shop.

Breakaway Hood Mirrors

The mounts are spring-loaded to rotate when hit, preventing damage to the hood and lowering parts and repair costs.

Breakaway Side Mirrors

Strong hinges with zero plastic, tougher materials and spring-loaded mounts help keep maintenance costs down.

Durable Components

From bolts to latches, all Anthem components are made from tough, long-lasting materials.

LED Lights

LED headlights are 66% brighter, last longer, use less energy and provide better visibility.

Smart serviceability.

The Mack Anthem® tilt-assist hood and functional, modular design allow service professionals to access, repair and replace components more quickly.

EFFICIENT ENGINE ACCESS

Mack® MP® Engine

Single-Point Latch and Tilt Assist

Requires 50% less effort to open for easy access to the engine.

Level Check
Check and top off oil and fluid levels from the ground.

Easy Access for Engine Serviceability

3-PIECE HOOD

The 3 pieces are bonded together but can be separated and repaired individually for lower replacement costs.

3-PIECE BUMPER

The 3 pieces can be ordered as separate replacement parts for improved serviceability and lower repair costs.

Powered by Mack's integrated powertrain.

Engineered for efficiency and performance, and proudly assembled in Mack's Hagerstown, Maryland facility, our integrated powertrain is the toughest in the game. Bar none.

Mack® MP® Engines

With horsepower, torque and superior fuel economy, Mack's MP engines conquer the highway, mile after mile.

Mack Transmissions

Mack's transmissions are designed and built to perform at the highest level in the most demanding conditions, just like the rest of the truck.

Mack Axles

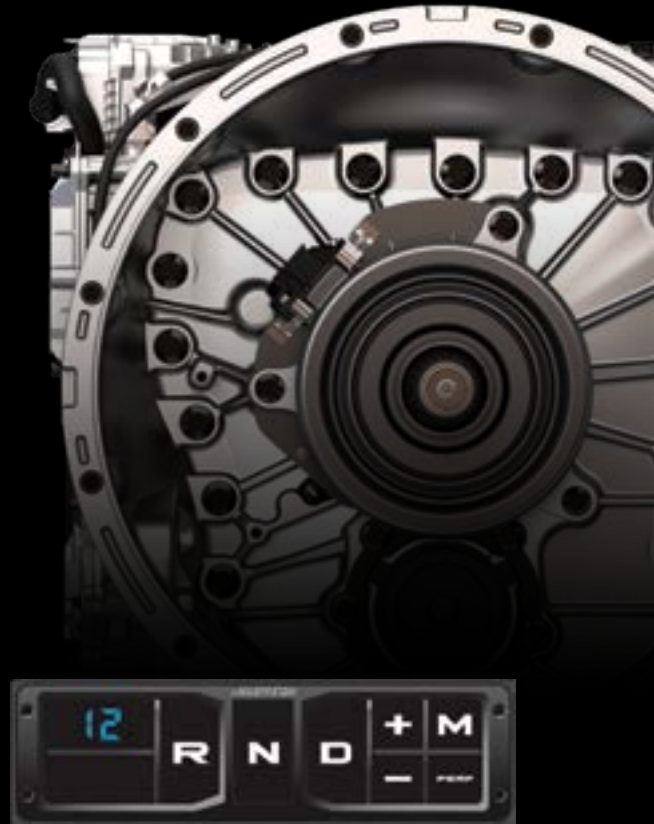

Built to handle long hauls and the relentless punishment of the road.

Mack Suspensions

Engineered to be lighter and stronger, for enhanced reliability and outstanding performance.

Mack's industry-leading automated manual transmission expands your driver base and reduces costs.

Wave Piston Design

By adding small waves to the piston bowl, the engine can burn fuel more efficiently for reduced fuel consumption and lower emissions.

Mack Wave Piston

Standard piston combustion efficiency

Mack Wave Piston combustion efficiency

MP®8-TC Engine

The MP8-TC with turbocompounding captures lost energy and converts it to power, burning up to 9% less fuel in highway operations.

Smarter Hauling

mDRIVE™ continuously monitors changes in grade, acceleration, vehicle weight and more to optimize fuel economy.

Easy to Operate

Drivers can manage *mDRIVE™* with just the press of a button, making it more comfortable and easier to operate, even for new drivers.

Minimal Service

Proven technology and superior design mean *mDRIVE™* requires minimal service, significantly reducing maintenance costs and downtime.

With Mack[®] Connect, it's uptime all the time.

Mack's exclusive uptime and productivity solution, Mack Connect, combines intelligent software, predictive analytics, driver assist technologies and more to help you keep your trucks—and your business—moving forward.

Connected Driving

Connected Business

Connected Support

CONNECTED SUPPORT

Your trucks are only profitable when they're on the road and on the job. Maximize your uptime with intelligent maintenance systems and time-saving repair processes.

Over The Air (OTA) Software Updates

Wirelessly updates software without disrupting your schedules, while increasing operational efficiency and uptime. Requires Mack® GuardDog® Connect.

Mack® GuardDog® Connect

GuardDog Connect automatically monitors your truck's performance and quickly alerts OneCall® of any maintenance or repair needs. OneCall's 24/7 support and roadside assistance leverages Mack® ASIST to give drivers, dealers and Uptime Center staff access to all of the repair information they need—all while you're still on the road.

Certified Uptime Centers

Dealers identify quick fixes and put them in the fast lane for completion, while giving larger repairs the attention they need and putting you back on the road faster.

Preventive Maintenance

Keeps your trucks in top shape by planning a service schedule that matches the usage and miles of your vehicle, so we can repair or replace components before it impacts your business.

CONNECTED BUSINESS

To succeed in the modern trucking industry you need to run a modern trucking company. Drive profitability and gain insights at every turn with Mack's fleet management systems. Our open platform sends vehicle data directly to your own fleet management software for analysis, so you're not locked into a proprietary system. Partners include:

Telogis®

Advanced fleet management and compliance tools that integrate directly with GuardDog® Connect or your own smartphone, tablet or other connected device.

Omnitracs

Integrated telematics providing real-time insights into vehicle location and driver behaviors.

WheresMyConcrete

Real-time data for dispatch, transparency for customers, and critical analytics to improve operations.

Geotab®

Business intelligence and benchmarking data for older fleets to improve productivity, reduce fuel consumption, enhance driver safety and improve compliance.

CONNECTED DRIVING

The trucking business is all about making margins and driving efficiency. Get the most out of your trucks and your drivers with built-in fuel management and driver assist technologies like Mack® Predictive Cruise.

Information and Entertainment

Bluetooth®, satellite radio, cell phone integration and more to make life on the road as enjoyable as possible.

Mack Predictive Cruise

Proprietary Mack technology that stores hilly terrain in GPS data to optimize engine speed and fuel efficiency on on saved routes.

Bendix® Wingman® Fusion™

Driver assist and safety technology combining radar, camera, brakes and the SafetyDirect® web portal from the leader in collision mitigation.

Roll Stability

The Bendix® ESP® full-stability system helps drivers mitigate rollovers and loss-of-control in situations on wet and dry roadways through advanced sensors and throttle and braking interventions.

Collision Avoidance

Automatically alerts the driver and, if needed, applies the foundation brakes to mitigate or prevent a potential collision with a forward moving vehicle or stationary object.

Support at every turn.

Nearly 600 authorized dealers and parts and service locations coast to coast. Nearly 1,400 Master Technicians. When you need assistance, the Mack® network is ready to deliver.

CERTIFIED UPTIME CENTERS

Average trucking industry dwell time for a repair is 4 days, but the average repair actually takes less than 4 hours. Mack's Certified Uptime Centers identify the quick fixes and put them in the fast lane for completion, while giving larger repairs the attention they need.

INVESTING IN SERVICE

The Mack Dealer Network is committed to quick, quality service. That's why our dealers have invested nearly \$600 million since 2010 to modernize facilities, improve access to parts and train service professionals to help get you back on the road.

FAMILY EXPERIENCE

Whether you're behind the wheel or managing the fleet, when you run with Mack, you're part of the family. That means you'll always get personalized attention and the support you need to keep your business running strong. Just pick up the phone; there's always a real person ready at the other end of the line. Mack OneCall®: 1-800-866-1177.

Designed for the driver.

COMMAND THE ROAD

The intuitive instrument panel and steering wheel of Mack Anthem® give drivers total confidence and control in the cockpit.

UTILITY FROM TOP TO BOTTOM

Configure Anthem's best-in-class storage for as much or as little as you need to store.

COMFORT FOR THE LONG HAUL

A spacious interior and American craftsmanship give drivers the comfort they need to feel at home.

Control at your fingertips.

Built to work and designed with purpose, the automotive-inspired controls of Mack Anthem® make operation easy, safe and comfortable.

Illuminated Controls

Keep eyes on the road with familiar, automotive-style controls.

Flat-Bottom Steering Wheel

An industry-first, allowing more belly room and clearance for entry or exit. Add to that a racecar-style grip, enhanced dash visibility and clipboard-friendly surface for better control and maximum comfort.

Information and Entertainment Display

7" touchscreen, along with smart steering wheel buttons, manages tools like SiriusXM®, Weather Band, TomTom truck navigation, Apple CarPlay and optional back-up camera.

D-Panel Gauges

Customize the dash with 4 optional auxiliary gauges.

Power Window, Lock and Mirror Controls

Provide more comfort and control than manual windows.

Light Control Module

Runs all exterior lights from one place with an automotive feel.

Rocker Switches

New larger, robust rocker switches are laser etched to be readable for life.

mDRIVE™ Controls

Intuitive placement—and the option to install it even higher on the dash—gives drivers comfortable access without taking eyes off the road.

Right Stalk

Manages engine brake and Co-Pilot™.

Left Stalk

Manages high beams, self-canceling turn signals and wipers.

Information at a glance. Eyes on the road.

Drivers manage constant demands on their attention. The Mack Anthem[®] instrument panel brings important information to the forefront, keeping it clear and readable so drivers can stay focused on the road ahead.

Digital-Analog Gauges

Solid dial hands with the precision of digital instruments.

Mack® Co-Pilot™

5" full-color digital display provides enhanced visibility and simpler navigation without distractions. Constant truck monitoring and Pre-Trip Assistant, including one-person Exterior Light Inspection, help keep an eye out for potential issues before they become real ones.

Unmatched comfort.

The spacious cab, stand up sleeper and premium materials of Mack Anthem® create an interior that's as comfortable as it is functional.

Anthem's generous ceiling height lets drivers stand up in the cab and walk right through to the sleeper. Driver model shown at 5'10\".

Mack-Exclusive Seats

We partnered with Sears Seating to build seats that improve driver comfort and support, while taking on daily wear and tear.

- Air suspension
- Optional swivel base
- 30+ feature and fabric combinations

Sleeper Windows

Sleeper Control Panel

Amenities

Sleeper Lighting

Home away from home.

We built the the Mack Anthem[®] 70-inch Stand Up Sleeper with 35% more space to give drivers plenty of room to get comfortable, rest well and stay focused on the road.

Flexible Work Space

SLEEPER WINDOWS

Sleeper windows feature self-contained built-in shades that block 100% of light. The screened windows tilt out to let air in and keep rain out.

SLEEPER CONTROL PANEL

Access power outlets and USB ports and control the sleeper stereo, interior lighting and high-performing HVAC from one convenient panel.

SLEEPER LIGHTING

Dimmable pipe light around the perimeter of the driver environment, bunk task light, reading lights and overhead lights are all bright, long-lasting LED.

AMENITIES

Opt for a spacious, stainless steel refrigerator or choose from prep kits—including power outlets—for a refrigerator, microwave or flat-screen TV. Add cup holders with integrated storage above the bottom bunk for easy access to everything.

FLEXIBLE WORK SPACE

Versatile pullout surfaces behind the driver and passenger seats create a comfortable space for a meal or catching up on email.

IDLE-FREE POWER

Idle Free[®] electric APU lets drivers run the HVAC system without idling, saving fuel and maintenance costs.

The image shows the interior of a Mack Anthem truck cab. The view is from the driver's perspective, looking towards the dashboard and the front overhead console. The overhead console is a large, dark grey plastic structure mounted on the ceiling of the cab. It features several storage compartments, a control panel with blue LED lights, and a dedicated CB radio box. The dashboard is visible in the background, showing the steering wheel with the Mack logo, the instrument cluster, and the center console with various controls and a radio. The overall lighting is dim, highlighting the textures and details of the interior components.

Front Overhead Console

Generous storage with tough materials, interior LED light controls and a dedicated CB radio box.

Safe, secure storage.

Even on rough roads, electronics, drinks and gear stay in place with the industry-leading storage of Mack Anthem®.

The image shows the interior of a truck cab. On the left, there's a dashboard with various gauges and controls. Above the dashboard and seats, there are overhead cabinets. The seats are dark-colored. The overall lighting is dim, highlighting the textures and materials of the interior components.

Side Overhead Cabinets

Deep storage areas above the driver and passenger doors create a secure space for gear in the 70-inch Stand Up Sleeper.

Non-Slip Electronics Tray

Charge electronics securely with the USB port, phone holder and non-slip rubber fuse relay center cover.

Additional Storage

Oversized cup holders fit large drinks and there's room for keys, devices and more in the easy-to-clean unit.

Everything in its place.

Mack Anthem® offers cabinets, work surfaces, wardrobes and shelving to keep the living space organized, functional and ready to work.

Under-Bunk Storage

Illuminated, 3-compartment storage.

Bunk Wall Storage

Back wall cup holder and open storage bin or 3-cabinet overhead storage (single bunk only).

Driver Side Storage

Tall wardrobe cabinet with hanger bar, interior mirror and magazine slots.

Cabinet with shelves, drawer and pullout work surface.

Passenger Side Storage

Microwave cabinet, DVD/storage slot, top storage.

TV prep kit (up to 24" flat panel), mounting brackets, power outlet.

Drawer-style refrigerator and storage drawer.

Microwave, TV and refrigerator spaces are also available as cabinets.

Your Mack Anthem[®]. Your way.

A close-up, low-angle shot of the front of a Mack truck. The truck is dark-colored, possibly black or dark blue. The grille is prominent, featuring the 'MA' logo in large, silver, block letters. Above the grille, there are several rectangular lights. To the left, a large side mirror is visible. The background is a clear, light blue sky, suggesting a bright day. The truck's headlight is partially visible in the lower left corner.

We're born of the American spirit. Of grit and determination and a passion for hard work. We stand behind our word. And step up when others back down. We stick together through thick and thin and always treat people like family. We believe in living for today and building for tomorrow. Together, we stand for what matters. And we promise to keep our eye on the horizon and never stop moving forward.

We are Mack.
This is our Anthem.
